Valiant '73

LETTER FROM THE EDITOR

There have been many hours and days spent working hard to bring you this 1973 Valiant. This book has been put together to the best of our ability and we, the staff, hope you do enjoy it as much as we did in compiling all the information and pictures for it.

I would like to give a special and hearty thanks to Mrs. Carol Dodd for her outstanding patience and devoted time; and to our photographer, Bobby Lancaster, for his time, skill and imagination in taking and developing the pictures; and to the members of the staff of the 1973 Valiant for a job well done.

Your Editor

Jim Bruner

I have no compass and no chart, no way of knowing where to end or where to start.

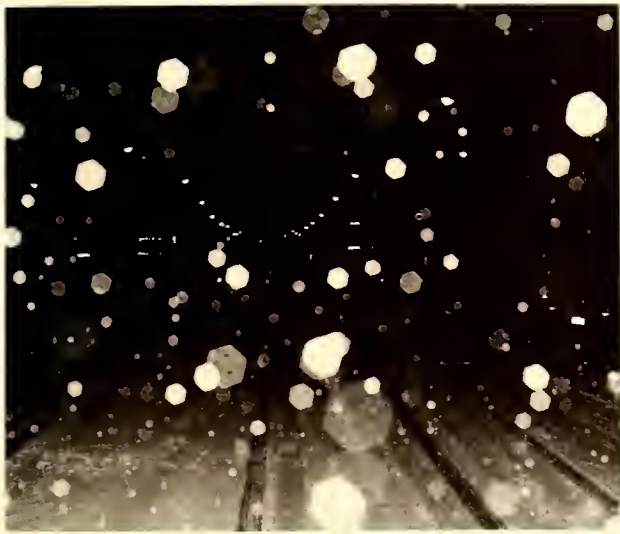

I must rely on you if I can't depend on my own heart.

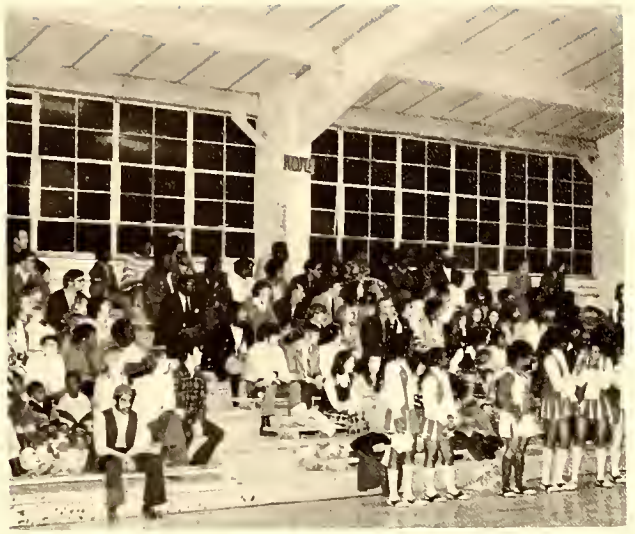

And so, I've come here once again to talk to you tonight.

And tonight everything is all right.

Student

President Buddy Herring addresses student body.

Since organizing a budget for school activities in the early fall, to the re-construction of the RTI Constitution, the SGA has been busy this 1972-73 school year. Without the efforts of the Legislative Body, the Executive Council could not have functioned as efficiently. A hearty thanks to the members of the Council for making this year active.
